SUBJECT: Conversation With Skip Endres, Staff Director,
House Judiciary Committee: Clearances

1. On February 11, 1987, I was called by Skip Endres, Staff Director, House Judiciary Committee. He had received the copy I had sent him of the OCA publication "Security Clearances" together with my note suggesting that he expedite his application for a clearance.

2. He thanked me for the publication, stated he was unsure about which sort of clearance to request and asked my advice. After some discussion, we agreed it would be best if he requested a [redacted] clearance since it was possible that in future presentations concerning defector citizenship candidates, he would require a clearance at that level. He stated that he had completed the paperwork on the clearance and would submit it with a request to be cleared at that level in accordance with the publication.
